Niche analysis

Niche					
Eco-friendly kitchen	66	7	6	32	Sample data
Pet wellness & accessories	66	8	7	30	Sample data
Indoor gardening	64	6	5	34	Sample data
Home office ergonomics	62	8	7	28	Sample data
Baby & parenting helpers	61	6	5	33	Sample data

Risks and recommendations

- Magnetic Phone Car Mount: very high competition

Data sources and assumptions

- Data sources used: Sample data.

- Net profit = price - sourcing - shipping - marketplace fees - advertising. Default marketplace fee 12% when not supplied.

- Opportunity score = margin (30) + demand (25) + low competition (20) + ROI (15) + data reliability (10).

- Figures labelled 'AI estimate' or 'Sample data' are assumptions, not verified market data. Nothing in this report guarantees profit or future demand.
